

# EVERYWHERE ATELIER

## Study Group

The atelier is a space-time frame intentionally set up to develop and enrich a creative, transformative interaction with the world. It is not necessarily a room. You can create endless containing "frames," spaces where allowing ourselves and others to play and create just for the sake of it.

Roberta Pucci

Join us in Italy, @May 23-June 6, 2023!

### Italy's Adriatic Coast

"A. Gallizi" Early Childhood Center  
Tactile Omero museum  
Riu` Ludoteca del Riuso (creative recycling center)  
Plus a weekend to explore!

**Pesaro, Fano, Ancona**

### North-Central Italy

"Le betulle" and "I tigli" Early Childhood Centers  
Loris Malaguzzi International Centre  
Il Multiplo (public library, playing and art center)  
Remida (creative recycling center)

**Reggio Emilia and Cavriago**

### More than Places...

Learning will take place in these places and within these spaces. But it will also grow inside our workshops, in the parks, during an exchange over coffee, and always, always while savoring the tastes of Italy.

*Balsamic Vinegar, Piadina, Pizza, Parmigiano-Reggiano Cheese, Erbazzone, Burrata, Lambrusco...*

### Join Us...
